

## TRACE DISEASE TO CONSTIPATION

One of the points on which different schools of medicine practically agree is, that about 95% of all human diseases are directly traceable to intestinal putrefaction of stool ch waste due to inactivity of the bowels or constipation. The eliminative process is an essential factor in digestion and on the proper functioning depends the welfare of the entire system.

Constipation is a condition that should never be neglected. As soon as the bowels evidence the slightest disposition to slow up, a mild laxative should be taken. The combination of simple laxative herbs with pepsin, known as Dr. Caldwell's Syrup Pepsin and sold in drug stores for fifty cents a bottle, is highly recommended as a corrective, acting gently, in an easy, natural way, without griping or other pain or discomfort. A trial bottle of this excellent family remedy can be obtained, free of charge, by writing to Dr. W. E. Caldwell, 456 Washington St., Monticello, Illinois.

## TERRIBLY SICK WOMAN

Surgical Operation Thought Necessary, but Lydia E. Pinkham's Vegetable Compound Saved Her.

Madison, Wis.—"I was a terribly sick woman for over three years. I suffered with terrible pains in my back and was about to have an operation when a friend said to me, 'Before having that operation just try Lydia E. Pinkham's Vegetable Compound.' So I let the operation wait, and my husband bought me the Vegetable Compound and it has made me a well woman and we have a lovely baby girl. We cannot praise Lydia E. Pinkham's Vegetable Compound enough, and I hope this letter will lead other suffering women to try it."—Mrs. BENJAMIN F. BLAKE, R.F.D. No. 5, Box 22, Madison, Wis.

There must be more than a hundred thousand women in this country who, like Mrs. Blake, have proven what wonders Lydia E. Pinkham's Vegetable Compound can do for weak and ailing women. Try it and see for yourself.

All women are invited to write for free and helpful advice to Lydia E. Pinkham Medicine Co. (confidential), Lynn, Mass.

## KEEP LOOKING YOUNG

It's Easy—If You Know Dr. Edwards' Olive Tablets

The secret of keeping young is to feel young—to do this you must watch your liver and bowels—there's no need of having a sallow complexion—dark rings under your eyes—pimples—a bilious look in your face—dull eyes with no sparkle. Your doctor will tell you ninety per cent of all sickness comes from inactive bowels and liver.

Dr. Edwards, a well-known physician in Ohio, perfected a vegetable compound mixed with olive oil to act on the liver and bowels, which he gave to his patients for years.

Dr. Edwards' Olive Tablets, the substitute for calomel, are gentle in their action yet always effective. They bring about that exuberance of spirit, that natural buoyancy which should be enjoyed by everyone, by toning up the liver and clearing the system of impurities.

You will know Dr. Edwards' Olive Tablets by their olive color. 10c and 25c per box. All druggists.

## New Means of Defense

Among the engines of war in action on land, probably none has created greater interest than the new famous "fighting tank," which, according to reports, pours out missiles of destruction on the enemy from armored turrets, and crawls over trenches, shell craters, and similar obstructions, like a fabled giant creature of prehistoric ages. We are constantly finding new means of attack and defense in this war—just as we are learning to serve our bodily health by keeping the liver and kidneys in the pink of condition.

The poisons in man are taken care of if man will do his part. The liver and kidneys act as the sewage disposal plants which separate and throw off the poisonous accumulations, if given half a chance. But many of us should not eat meat more than once a day. Eat vegetables, and what may be called "roughage" to stimulate bowel action, such as baked potato with the hard skin, Graham, rye or whole wheat bread, onions, turnips, carrots, even the much slandered cabbage, and sauerkraut. Stimulate the liver into a thorough housecleaning at least once a week, by taking a purely vegetable laxative made up and extracted from May-apple, leaves of alo, root of jalap, into a Pleasant Pellet, first made by

Dr. Pierce nearly fifty years ago and sold by nearly every druggist in the country. To keep the kidneys clean, drink plenty of water between meals; also, if you wish to "escape half the ills" which cause early deaths from kidney disease, affections of the heart, rheumatism and gout, drink a pint of hot water a half hour before meals. This with regular outdoor exercise, sensible food and occasionally Anuric (double strength) after meals for a few weeks at a time, and there is no reason why a man or woman should not live to be a hundred. This Anuric stimulates the kidneys, causing them to throw out the poisonous uric acid which causes us to have pains in the back, lumbago, rheumatism or gout.

Anuric always benefits and often cures the cause of kidney disease, as well as rheumatism and gout. It is sold by most druggists for 60c, or send Doctor Pierce of the Surgical Institute, Buffalo, N. Y., 10c for trial package.
